RE: Business License Exemption for Denturists

To Whom It May Concern:

The College of Alberta Denturists is the regulatory body for the profession of Denturists in the Province of Alberta and we are governed by the Alberta Government's **Health Professions Act**.

The **Denturist Profession Regulation** was proclaimed under this Act on September 01, 2002.

In the **Health Professions Act, Section 101** states the following:

- 101 No municipality or Metis settlement has the power to require**
- (a) a regulated member to obtain a license from the municipality or Métis settlement to practice a regulated profession, or**
 - (b) a professional corporation, a physical therapy corporation, a business corporation or a partnership owned by regulated members to obtain a license from the municipality or Metis settlement to practice a regulated profession.**

As such, Regulated Members of the College of Alberta Denturists are exempt from paying for a business license in any municipality in Alberta; this is equivalent to the exemption granted to other professions under the **Health Professions Act**.
